

10th LAKE BURLEY GRIFFIN CARNIVAL
SUNDAY 13 JUNE 1976

Peter Fullager was well and truly dethroned by two Victorians, Willi Sawall (with a 6 minute race record) and Tim Erickson. This would be the first of 7 consecutive wins for Sawall who dominated the event like no one before or since. The Victorian team of Sawall, Erickson and Peter Bethune took the teams event, the first of 17 such wins in a row. The VAWC domination of the Teams Event would not be broken until a break away Victorian club called Proclamation Park would take the title in 1993.
