

## AFORWC SCHEDULE 1 WALKS - MURDOCH UNIVERSITY, WA - 22 SEPT 2001

On Saturday 22 September 2001, the Western Australian Race Walkers Club, with assistance from the Race Walkers Club of Western Australia, conducted the annual Schedule 1 Walks of the Australian Federation of Race Walking Clubs.

Weather conditions were showery and windy with temperatures ranging from 13 to 17 degrees. A few fine spells arrived later in the morning.

No interstate competitors entered for any walk which, given the unexpected Ansett collapse of the previous week, was fortuitous for potential flyers. The events went ahead according to timetable, with very good numbers of competitors by WA standards.

Jill Huxley, AFORWC Secretary and IAAF Judge, made the trip from the eastern seaboard and judged throughout the day, which was most welcome.

The scoring, and results were compiled compliments of Margaret Turnbull.
