AV TROPHIES

There are four Athletics Victoria racewalk perpetual trophies that are awarded each winter. The number and makeup of the trophies is relatively arbitrary and simply reflects monies left to Athletics Victoria to honour former members of significance.

The trophies are kept at the Athletics Victoria office.

The VRWC secretary forwards a list of nominations to Athletics Victoria at the conclusion of each winter season, with a view to confirming the winners and making the presentations at the VRWC Winter Presentations.

The trophies are then returned to AV who arrange for the engraving of the latest winners.

Betty Newman Trophy, Avis Redman Trophy, Norman L Goble Trophy and Tom Daintry Trophy

NORMAN L GOBLE TROPHY MOST POINTS EARNED IN MENS A.V. CHAMPIONSHIPS

Norm Goble was a champion boxer with the Scouts during his early days and started off his athletics career as a runner. He turned to walking in the 1930's and joined VAWC in 1935. He quickly established himself as one of the most consistent distance men, representing Victoria in no fewer than 6 Alexander Cups before his retirement in 1955.

He became club VAWC Vice Captain in 1947 and then served as Club Captain from 1948 to 1951. Perhaps his most memorable walking performance was in winning the VAWC 50 Mile championship in 1948 in the fine time of 9:21:24.

In 1952, he became secretary and treasurer of VAWC. He was also active in the VAAA, being elected Vice President in 1953 and serving his time there with distinction. He was awarded VAWC life membership in 1955.

Once he retired from competition, he became a regular Victorian team manager with teams for the National Championships.

He served as VAWC secretary till 1971 (20 years) and as treasurer till 1973 (22 years). He and Alf Robinson (who served during this whole time as President) were the driving forces behind the club and were responsible for the continuing development of the club over this whole timeframe.

Apart from this AV trophy, the Goble Trophy is awarded annually to the winner of the AFRWC Boys Under 15 3 km Championship held in conjunction with the Canberra Racewalking Carnival.

This trophy is awarded to the male walker who earns the most points in the following 5 Victorian Championships

- AV 10 km Championship
- AV 15 km Championship
- AV 20 km Championship
- AV 30 km Championship
- AV 50 km Championship

Over the years, the award has been won by many of Australia's top walkers as the list below attests.

TOM DAINTRY TROPHY
A.V. BEST UNDER 14 GIRL WALKER
DONATED BY ROSANNE SMITH

When first setup, this trophy was awarded to the best First Year Under 14 girl walker. Tom Daintry was one of our best known and most talented walkers who had a career of over 60 years as a competitive walker, starting in the early 1930's and finishing in the mid 1990's.

Tom was also an impeccable stylist and a coach of many years standing. He always believed in the need to teach young walkers to walk stylishly and with speed but within the rules. This award has proved to be a stepping stone for many of our young walkers and many of the past winners have gone on to have very good careers as senior walkers.

In recent years, young walkers are registering with A.V. and racing the Under 14 division from the age of 11 onwards. Hence it is increasingly difficult to find a suitable FIRST Year candidate in the 12-13 year old age group. This in 2007, the award was changed to recognize the Best Under 14 girl walker rather than the Best First Year Under 14.

BETTY NEWMAN TROPHY
A.V. WOMENS WALKING TEAM AGGREGATE

Betty Newman was one of our outstanding racewalking coaches for many years and this trophy recognises her unique contribution to the development of womens' walking in Victoria.

It is awarded to the Senior Women Athletics Victoria Team that amasses the most number of points in the AV Womens Roadwalk championships.

This trophy has been almost exclusively the domain of the Knox club who have dominated womens walking in Victoria with both depth and quality since this award was created.

Over the 10 or so years, the award has been spread more widely with other clubs coming to the fore.

**AVIS REDMAN MEMORIAL TROPHY
A.V. BEST UNDER 16 GIRL**

Avis Redman was one of the stalwarts of the Victorian Womens' Athletics Association and was also very involved in the sport of racewalking with her husband Fred and her daughter Marion.

This trophy was traditionally awarded to the Athletics Victoria Under 16 girl racewalker who showed the most improvement during the Winter season. Many of the former winners have gone on to have fine careers and even, in some cases, to represent Australia. It is indeed a significant award that recognises the potential of the walker and the achievements of the current year.

In 2010, this was changed to recognise the achievements of the Best Under 16 Girl walker.

**GEORGE KNOTT TROPHY
WINNER OF VICTORIAN 5000M TRACK WALK**

Within 12 months of VRWC Life Member George Knott carrying the Olympic Torch in the Torch relay, which was held before the Olympic games in Sydney in 2000, he had passed away, leaving a bequest to the club. In order to remember an Olympian who had given so much to walking and athletes in his life, it was decided to award a trophy to the winner of the Athletics Victorian 5km track championship. It was to be first awarded in 2002.

So far, Chris Erickson has dominated these championships, winning 8 of the last 13 editions. Many of the performances have been under 20 minutes, long regarded as a superb standard. Rhydian Cowley has won 4 of the last 6 editions, indicating that he is now a force with which to be reckoned.

**ELSIE JACOBSON MEMORIAL TROPHY
WINNER, V.R.W.C. OPEN WOMENS 15 KM CHAMPIONSHIP**

This event is held during the winter season. This trophy is a silver teapot donated by Ray Smith and reminds all of the vital club contribution of Elsie Jacobson.

Elsie was a tireless worker for the club. She was Social Secretary for nearly 20 years from 1963 to 1980. She was always to be seen in the clubroom kitchen on race days and instituted the famous 10 cent cup of tea.

She was involved in the club in many different ways. She worked with the other ladies of the club to organise social and fundraising functions. She was an able typist and did most of the club typing, including the Annual Reports. She even did a stint as club Treasurer in 1982 as one of her last contributions to the club.

She was awarded life membership in 1975.

RAY SMITH TROPHY
WINNER, V.R.W.C. OPEN 35 KM CHAMPIONSHIP

This event is held during the winter season and this trophy is awarded to encourage our walkers to attempt the longer walking distances. It is not gender specific, simply going to the first VRWC finisher in our annual 35km Club Championship.

The trophy is named after Ray Smith who came 6th in the 50 km event in the Melbourne Olympics in 1956. Once his competitive career ended, Ray moved into the administrative and judging arena, doing stints as President and as Treasurer. He was also an IAAF Walking Judge and had a long and distinguished judging career. He was awarded Life Membership of the club in 1983 and also has life membership of Coburg Harriers and Athletics Victoria.

This trophy is a silver coffee pot donated by Ray. On the base of the trophy the following words are engraved

STELLA MURNANE MEMORIAL TROPHY

This trophy was awarded to the winner of the Veteran Womens 10 km walk held during the Summer Season each year. It started out being awarded to the winner of the Open Womens 10 km event but was changed to the Veteran Ladies race in 1994.

Stella Murnane discovered walking at the age of 62, in an attempt to lose some weight. She consequently won Masters medals at State, National and International levels, competing in Rome in 1985, Melbourne in 1987 and Eugene in 1989. In 1989 Stella entered 8 events even though she knew she had incurable cancer. She was a great inspiration to all who knew her, young and not so young and should be remembered for her great fighting spirit and love of life.

When the trophy filled in 2007, it was decided to replace it with a new trophy, The Heather Carr Trophy, to recognise Heather's outstanding competitive career and her dominance in the Masters area. She won the Stella Murnane an amazing 9 times.

GUS THEOBOLD MEMORIAL TROPHY

Gus Theobold joined VAWC in 1931 and was an enthusiastic walker and club stalwart. He was awarded Life Membership in 1961 but he was regarded as a senior member of the club long before that. When the club reformed in 1946 after the Second World War, one of the first trophies to be set up was the Gus Theobold Trophy and it was contested for some years.

A foundation member of the Veteran movement in 1971, Gus was unbeaten over the 5km and 20km distances in his world age divisions. He won the coveted double at Toronto in 1975, Gothenburg in 1977, Christchurch in 1981, Rome in 1985, Melbourne in 1987 and at Eugene in 1989.

His times at these veteran championships showed that he could still walk a good pace that belied his years. In Gothenburg in 1977 he clocked 30:42 for the 5000m walk as an 80 year old. In Christchurch in 1981 as an 83 year old, he clocked 43:46 for the 5000m walk. In Rome in 1985 as an 88 year old, he clocked 34:53. In Melbourne in 1987 as a 90 year old, he clocked 35:18 and in Eugene in 1989 as a 92 year old, he clocked 39:49. His last big races were the Australian National Veteran titles in Melbourne in April 1990 when he once again won the 5000m/20km double – he had been unbeaten in National Veteran titles since their inception in 1972.

When Gus died in 1990, he had clocked up a remarkable 59 years of service to the club. The Gus Theobold Trophy was re-instituted as a fitting memorial to this remarkable individual. It is now awarded annually to the winner of the Open Mens 20 km Club Championship which is held as part of the VRWC Summer Walking Championships.

RUNNERS WORLD AWARDS

Neil Ryan of Runners World Kew approached VRWC early in the 2009 winter season with an offer of some club sponsorship. While we have our Points and Handicap awards, the awards are not necessarily won by our BEST walkers as they are influenced by participation rates. So, after various discussions, it was decided to institute Runners World Winter and Summer Season Awards.

There are no perpetual trophies but there are awards, both monetary and in the form of Runners World Kew vouchers.
