

VICTORIAN RACEWALKING CHAMPIONSHIPS: 1931 - 2022

I have previously published the results of all Victorian men's walking championships up to and including 1930. These can be reviewed in the following two documents

[VICTORIAN CHAMPIONSHIPS MEN 1892-1920](#)

[VICTORIAN CHAMPIONSHIPS MEN 1921-1930](#)

This third document now completes the statistical analysis, covering the years from 1931 to the current day.

I welcome any amendments in terms of names, club designations, event venues and dates and am always available to chat regarding any related matters.

In particular, there are 2 results for which I still require information

- **The 1980 Victorian 10,000m Track Walk**

This championship was held at Llanberris Reserve in Ballarat on Sunday 2nd March 1980. I have only the first 3 places and would welcome any fuller results

1.	David Smith	Williamstown	40.54.7 CR
2.	Willi Sawall	Ballarat Harriers	41.43
3.	Tim Erickson	Ivanhoe	44.31

- **The 1981 Victorian 10,000m Track Walk**

This championship was held at the Collingwood Harries track in Clifton Hill on Sunday 19th April 1981. I have a partial result snippet which reads as below. Again, I would welcome any additional information.

1.	David Smith	Williamstown	?
2.	Willi Sawall	Ballarat Harriers	41:19

VICTORIAN CHAMPIONSHIPS 1984

1984 saw five Victorian walkers selected in the Australian Olympic walk team – David Smith, Michael Harvey, Andrew Jachno, Simon Baker and Willi Sawall. These five fought out many of the Victorian championships on offer that year and the times read very impressively, some 24 years on.

10,000M TRACK WALK, COLLINGWOOD HARRIERS TRACK, THURSDAY 5TH JANUARY 1984

The year started off with David Smith in full flight, setting a new Commonwealth Record in winning the Victorian 10,000m track title. This followed on from his Commonwealth 5000m record time of 19:20.6, done at the Aberfeldie track in September 1983. David then went on to win the Australian Olympic 20 km trial followed by an excellent 10th place in the Moscow Olympic 20 km walk. This was one of his few appearances in a Victorian championship for 1984 and his overall absence opened up the remaining races to the other plethora of talented walkers that Victoria boasted at that time.

5,000M TRACK WALK, OLYMPIC PARK, MELBOURNE, 1ST MARCH 1984

Andrew Jachno, at only 21 years of age, was quickly establishing himself as one of our top walkers. He had already represented Australia at the 1982 Commonwealth Games 30 km event and on this occasion he pushed David Smith hard in the Victorian 5000m championship. Although David crossed the line first, he was DQified and the title consequently went to Andrew with a massive PB. An incredibly versatile walker, he went on to win the 1984 Australian 50 km title and represented Australia at the 1984 Olympics in the 50 km event. It was unusual to see such a young walker excel at all distances. Simon Baker and Willi Sawall, who took the minor medals, were also duly selected in the 1984 Olympic team.

1.	Andrew Jachno	Essendon/EMH	19.41.8
2.	Simon Baker	Oakleigh	20.21.8
3.	Willi Sawall	Ballarat Harriers	20.40.0

20 KM WALK, ALBERT PARK, SUNDAY 8TH APRIL 1984

Willi Sawall, 42 years old, and Michael Harvey, 21 years old, took the gold and silver respectively. Willi was still able to produce huge performances even though he was 'old' when measured against his young opponents. No one ever took Willi for granted when the starter's pistol fired.

1.	Willi Sawall	Ballarat Harriers	1.23.27
2.	Michael Harvey	Waverley	1.28.40
3.	Andrew Jachno	Essendon/EMH	1.34.29

1984 15KM WALK, ALBERT PARK, SATURDAY 2ND JUNE 1984

This win saw a big PB for Simon and was one of his last major races before the 1984 Olympic 20 km event. He had come from nowhere in 2 years to be one of our top walkers. Again, the depth is obvious with the minor medal times of Willi Sawall and Michael Harvey.

1.	Simon Baker	Oakleigh	1.02.29
2.	Willi Sawall	Ballarat Harriers	1.02.47
3.	Michael Harvey	Waverley	1.03.51

1984 50 KM WALK, ALBERT PARK, SUNDAY 15TH JULY 1984

With the top walkers preparing for the Olympics, the 50 km title was up for grabs and 23 year old Bill Dyer, already a seasoned international, had the race to himself to win his second Victorian 50 km title with a big PB time of 4:11:08.

1.	Bill Dyer	Box Hill	4.11.08

1984 30KM WALK, ALBERT PARK, SUNDAY 9TH SEPTEMBER 1984

With the top walkers still absent, Mark Dossetor, another talented young walker at only 20 years of age, was able to win the last title of the winter season. It took him a further 5 years to gain international selection in the 1989 World Cup team.

VICTORIAN CHAMPIONSHIPS 2022

5000M TRACK WALK, LAKESIDE STADIUM, ALBERT PARK, SATURDAY 26th FEBRUARY 2022

It took less than a lap for the Men's race outcome to be settled. Declan Tingay (WA, left) shot straight into a lead that grew and grew, never to be challenged. Behind him, the fight was on for the Victorian title between Kyle Swan, Rhydian Cowley and Will Thompson, with Quentin Rew (NZL) in amongst them and looking for a fast time. Declan crossed the line in first place for a new National and Victorian All-comers record of 18:24.50, eclipsing Dane Bird-Smith's previous mark by 14.47secs. Rhydian, regaining his old speed race by race, took the Vic title with 19:12.20, just 3secs shy of his PB.
